

WIN A Unique **PINK** Automated Cell Counter

Enter now at
DeNovix.com/pink

Enter the drawing for a Unique **Pink** CellDrop Automated Cell Counter

DeNovix is giving away a one-off, pink version of the unique CellDrop Automated Cell Counter. Featuring patented DirectPipette Technology, the CellDrop removes the need for plastic slides from routine cell counting eliminating disposable costs and reducing the environmental impact of scientific research.

Count Cells Without Slides

Entry is open to all researchers around the world. Simply use the links below to enter and share with your friends and colleagues for more chances to win!

Enter at www.denovix.com/pink or using the links below

Good Luck!
